## VISION • LEADERSHIP • BUSINESS EXPERIENCE

Proven experience in quality decision making

- 4 years – West Kelowna Council 2014 - 2018
- 11 years – Lakeview Irrigation Trustee
- 4 years – Westside Governance Committee
- Past President of the Westbank Chamber of Commerce
- 30 years – Community Volunteer

## WEST KELOWNA BUSINESSMAN FOR 38 YEARS

Now that I'm retired, I have structured my affairs in order to devote my skills and experience to full-time public service. A term off council has made me far more objective, aware, and able to view and observe what's really important.

I will bring true value to council with knowledge in equipment, road maintenance, snow plowing, engineering, litigation, tendering, construction, private and public works projects. My strong connections locally, and provincially and federally, combined with my abilities as a successful lobbyist, will add strength to council. I will collaborate with the mayor and council to get things done.

***“As your councillor, we should be encouraging development and welcoming investment. Encouraging business and keeping property taxes in line is the foundation upon which every great city must grow. By that measure our best days are ahead.”***

I welcome your calls and inquiries

- ELECT -  
**Rusty Ensign**

**For West Kelowna Council | October 15 2022**

Rusty Ensign pledges to continue to build and grow a vibrant West Kelowna where he was born and raised. Rusty has a proven reputation as a champion for the citizens who works collaboratively to get things done.

With our growth and added tax contributions from City of West Kelowna to Provincial coffers, it is time we get something back for our investment. Government is not doing enough for our community. Working along with Mayor and Council we need to get the investment in our growing community for much needed and overdue infrastructure in transit, education and health care. With a new Premier coming into office we have a great opportunity! When it comes to championing the needs of our community, Rusty is the obvious choice.

As your councillor, Rusty Ensign will:

- ✓ Build a 2nd access to Glenrosa via Jack Pine Main
- ✓ More policing to keep us all safe
- ✓ Road maintenance & snow removal
- ✓ Sensible plan to build sidewalks
- ✓ Improve permit process to attract investment
- ✓ Providing for our youth
- ✓ Advocate for seniors and disabled

Disabled from a rugby accident 39 years ago, my vision is clear on removing the barriers – we all have the same rights to work and play in the place we call home. Council needs a voice that understands all perspectives. We have an aging population that needs to be recognized. There is a social purpose for having me on your council to facilitate a better future for all generations. I am accessible and a champion for accessibility!

***I will continue to listen to you, use good judgment, be decisive, and make things happen for our West Kelowna. Vote Rusty so I can keep working for you making what matters to you a priority!***

**I LOOK FORWARD TO YOUR PHONE CALLS & EMAILS**
