Rusty Ensign

For West Kelowna Council | October 15 2022

A VOTE FOR RUSTY ENSIGN IS A VOTE FOR THE HEALTH & HAPPINESS OF WEST KELOWNA!

Rusty firmly believes that sports and recreation are important to the fabric of our community. We need Rusty's voice on council to continue to advocate for the sports and recreation facilities that make West Kelowna a great place to live, work and play!

As a volunteer for over 30 years, Rusty is an active contributor to our community.

- Organized and led the group to win a referendum to build Royal Lepage Place | Raised \$1.2 million for the facility | Obtained a \$2 million infrastructure grant | Lead the charge to bring the West Kelowna Warriors to town!
- As a member of the Westbank Kinsmen Club, fundraised and volunteered to build two ball diamonds and two soccer fields at Kinsmen Park on Shannon Lake Road. (On a reclaimed and restored former landfill.)
- As President of the Shannon Lake Neighbourhood Association, raised the funds to refurbish the Shannon Lake tennis courts. Lobbied the Regional District not to sell two beach accesses on Whitworth Road.
- Donated to the original skateboard park.
- Board member of Westside Ringette Association for four years.
- Founding Director of Westside Minor Fastball Association.

As a Trustee for the Lakeview Irrigation District:

- Improved and maintained eight tennis courts and built the sports box on Anders Road.

As a City Councillor:

- Installed lights at the football field on McDougall Road.
- Installed lights at the Baseball Diamond on East Boundary Road.
- Built The Rush Trail to the top of Boucherie Mountain.
- Built four new pickleball courts.
- Increased Development Cost Charges (DCC'S) paid for by developers to increase funds for parks and recreation. These additional DCC's allowed us to build the Soccer Dome and acquire several flat acres beside it for a future sports and recreation.

Sports & Recreation needs Rusty's voice on council to keep West Kelowna healthy and happy! I will continue to listen to you, use good judgment, be decisive, and make things happen for our healthy West Kelowna. **Vote Rusty so I can keep working for you making what matters to you a priority!**

**WEST KELOWNA BORN & RAISED
STRONG WORK ETHIC
RESULTS DRIVEN**

I LOOK FORWARD TO YOUR PHONE CALLS & EMAILS
